

This series is a porcelain tile collection suitable for floor and walls, offering a modern travertine design, suitable for indoor and outdoor applications. Soft variation and veining create a beautiful & natural look.

Available in both a matt and external P5 finish, transitioning beautifully from indoors to out.

Available in smooth matt or slip resistant finish. With a 600x400 mm Mitre Tech drop face this tile can go from the front entry to the pool edge in one product.

Available in 300x600 mm, 600x600 mm, 600x1200 mm & 600x400mm 40 mm DF
